

NAMI Bridges to Care – Greater San Antonio

April - June 2024 Course Calendar

We invite all who wish to learn more about Mental Health and Wellness to register for our courses at no charge. All are welcome!

To become a full NAMI-BTCSA Wellness Champion & to receive a Certificate of Completion & Lapel Pin, one must complete all six core curriculum trainings **plus one** of the elective trainings offered. We encourage all those new to our Program to attend the Orientation, usually scheduled the first week of each month. Currently, most of our courses are offered online. For your Congregation or Organization to be designated as a NAMI-BTCSA Behavioral-friendly Safe Space, you must have at least three individuals fully-trained.

After registering for a course, you will receive an email from Zoom with the Zoom link for the session. Do not hesitate to contact Geri Gregory, our Training Coordinator, with any questions at geri.g@nami-sat.org or 210-269-5331.

***A note about Mental Health First Aid Courses from Bexar County's Center for Healthcare Services (CHCS):** There is a charge for this course from the CHCS, unless you qualify under one of the categories as outlined in our email. Once you register, you will receive confirmation emails from The Center for Mental Health First Aid and there is a 2-hour pre-coursework video & test that must be completed prior to this course, so register early! You will receive a certificate for this course through their registration portal once you complete the training. Please send a copy of your certificate by email to Geri Gregory, so she can properly mark your completion in our records.

*Denotes Core Curriculum Courses **Denotes Youth Track Certification Courses No denotation indicates an Elective Course. These courses are listed in chronological order.
